

PrePrimitive

```
graph BT; A["Primitive< T, args >"] --> B["PrePrimitive"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text "PrePrimitive". The bottom box is white with a black border and contains the text "Primitive< T, args >". Two blue arrows originate from the top edge of the bottom box and point upwards to the bottom edge of the top box, indicating a mapping or transformation from the bottom box to the top box.

Primitive< T, args >
